FRAGRANCES

2020 COLOR OF THE YEAR

FRAGRANCE TRENDS

BLUE HAWAIIAN

Escape...paradise awaits in this traditionally tropical medley of ripe mango and zesty lime, blended with juicy pineapple, island jasmine, silky white musk and warm exotic spices.

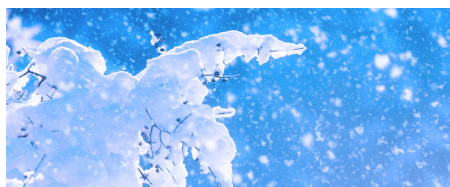

BLUE BANANA

Unique, flirty and fun! Watery citrus and ripe banana swirled with sweet vanilla, sheer white musk and radiant amber.

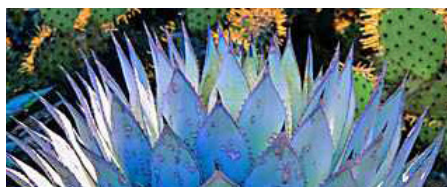

FRESH BLUEBERRY

Sweet vanilla sugar serves up an irresistible berry blend! Tart, crisp blueberry and juicy, wild raspberry accented with fresh citrus, red plum, violet and heliotrope.

ABRIGO AZUL PARA HOMBRE

Sharp citrus elements balanced with herbal facets and a warm amber glow. Reminiscent of icy winter days when the snow has just fallen and a bright, sunny blue sky captures the brisk clean scent of the season.

FRESH BLUE AGAVE BLOOM

A blissful breeze dances with the luminous notes of mandarin, green melon, and aloe carried by desert lily, sagebrush and mellow musk.

SANDY BLUE COAST

Cascading notes of sun-drenched bergamot and lemon peel showered with lush jasmine, creamy musk and white sandalwood.
