PRODUCTS FOR PERSONAL CARE

PIONEERS OF PERSONAL CARE INGREDIENTS

The Lebermuth Company has been a leader in essential oils and ingredients since 1908. We utilize our history and knowledge of aromatic ingredients as the building blocks for our fragrances. With more than 87 years of combined experience, each of our perfumers uniquely balance technical knowledge with creative finesse to create custom blends specific to each client.

We understand the industry landscape and its complexities. We are proud to offer an array of fragrant solutions for personal care products to ensure your brand stands out from the competition. You can have peace of mind knowing we provide our customers with high-quality ingredients, consumer-winning solutions, and the regulatory support it takes to succeed. Because that is our passion!
